The First Sunday of Advent

Today is the first Sunday of Advent. In Wakefield Cathedral we have an Advent wreath which is made up of four candles, three purple candles and one pink candle. Today one of the purple candles will be lit.

Your Task:

Make an Advent wreath

What you will need:

A print out of this sheet, scissors, felt tip pens or colouring pencils, scrap card, glue.

1. Colour in and cut out the candles and flames.

2. Fold the candles along the dotted lines.

3. Cut out a circle of scrap card, decorate it to look like evergreen leaves.

4. Glue the candles to the card. Glue 1 flame on a candle. Save the other flames for the next 3 Sundays.
