Images of Easter online activities

We continued our daily online Easter activities for families, which began at the start of the Easter holidays in March, finishing on Easter Sunday. The pictures were all images from inside the cathedral and were used to illustrate the Easter story.

Earth Day

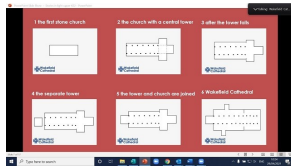

To celebrate Earth Day we produced a craft sheet for families which we shared through Twitter and on our website. Earth Day is an international annual event held since 1970 on 22 April. It aims to draw attention to environmental issues.

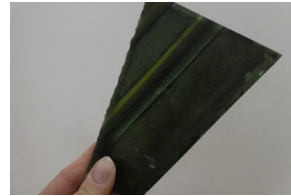

School Age Children

Sandal Magna Community School

The Y5 class from Sandal Magna school requested a virtual workshop to find out about the history of Wakefield Cathedral. This is the first time we have worked with this school. During the workshop they had to sequence a series of plans of the cathedral to make a time line. They also found out about our stained glass and our wooden choir stalls.
