Instructions...

1. Cut out the square chatterbox, and fold it in half diagonally, both ways.
2. Open the paper up again, and lay it down blank side up.
3. Fold each corner into the centre.
4. Turn it over, and fold each corner into the centre again.
5. Fold the chatterbox in half, and insert your fingers and thumbs underneath the flaps.
6. Pinch your fingers together, and your chatterbox will take shape!

Use your chatterbox to test what you know, and use the blank space to write or draw your own feelings or responses!
