Dice

While Jesus was being crucified the Roman soldiers stayed by the cross to guard it. They took Jesus's clothes and cast lots to see who would win them. This probably means they threw dice to see who had the highest score, the person with the highest score was the winner. Dice are usually cube shaped.

Your Task:

Make a Holy Week cube

What you will need:

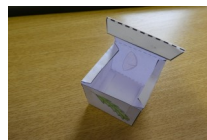

A print out of a cube net (you could find one on the internet, there is one on our page of the website), felt tip pens or colouring pencils, scissors, glue

1. In each square draw a palm leaf, water, bread, coins, a crown of thorns and a cross. Colour in and cut out.

2. Fold along all the dotted lines.

3. Put glue on all the tabs, fold into a cube shape and stick.

4. Throw the cube, see which symbol is uppermost. Can you say why that symbol is connected to Holy Week?
