COMMUNITY OUTREACH REPORT

OCTOBER REPORT 2021

School Age Children

St Mary's CE Primary School

I was invited into St Mary's School to do a Labyrinth workshop. The Y3 pupils in small groups walked our canvas labyrinth which was laid out in their hall. They then had an opportunity to respond to the experience through a variety of activities.

walking the labyrinth

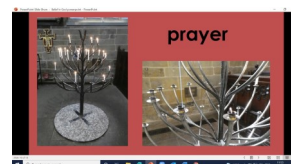

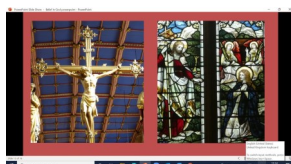

using a finger labyrinth

responding creatively

Sandal Magna Community Academy

The Y5 class at Sandal Magna Academy requested a bespoke virtual workshop to support their RE curriculum. The theme of their workshop was *What do cathedrals show about Christian belief in God?* Through the workshop we explored the Christian belief in the Trinity, looking at the cathedral Baptism Window and then thinking about baptism services. We thought about the Christian belief in the death and resurrection of Jesus as a way to salvation. We then explored prayer.

Christian Nurture for Young People

Messy Harvest

At the start of October we had a Messy Cathedral session to celebrate harvest. Our theme was the Parable of the Sower. Canon Peter retold the story and the participants took part in a variety of craft activities connected to the parable. The session finished with a simple meal.

models to show the farmers field with cress seeds sown in the 'good soil'

Virtual Youth Pilgrimage

Along with the other cathedrals in the diocese we have produced two virtual pilgrimages for children and young people that can be accessed through our website. The theme of our pilgrimage is *Hope*. The participants are taken on a journey through the cathedral where they can find out about different parts of the building. They also encounter different members of the clergy who explain what hope means to them.

Adult Education

Board Games Club

On Tuesdays we now have a group meeting in the Treacy Hall to play board games, especially Scrabble. This was requested by some of the regular clients of the Cathedral Kitchen.
