Jesus Heals Two People

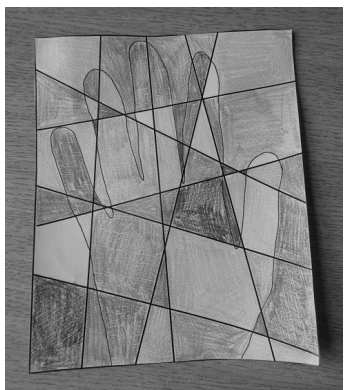

Jesus does two healing miracles in today's gospel reading, in one he brings a girl back to life and in the other he heals a woman when she touches his cloak. In both of the miracles we see the importance of touch and hands. The woman is healed when she reaches out and touches Jesus's cloak. And the girl comes back to life when Jesus does takes her by the hand.

Your Task:

Make a colourful hand picture

What you will need:

A print out of this sheet, or you could draw lines on a sheet of paper in a similar way, scissors, a pencil or pen and felt tip pens, colouring pencils or paint.

Cut out the grid. Draw around your hand using a pencil or pen. Then colour in each segment using different colours.

The Activity:
