Seeds and Weeds

In today's gospel reading Jesus tells another parable to teach his listeners about the Kingdom of Heaven. This time a farmer plants good seeds in a field but finds weeds growing amongst the crop. There are lots of different seeds that farmers may plant such as beans, rice, wheat and lentils.

Your Task:

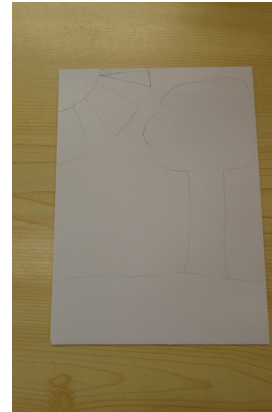

Make a seed picture

What you will need:

Card, pencil, PVA glue and seeds such as dried lentils, beans and split peas.

Wakefield Cathedral Learning & Outreach

The Activity:

1. Draw a simple picture or pattern on the card.

2. Carefully spread plenty of glue over a section of the picture and stick the seeds on.

3. Continue gluing other sections and sticking the seeds on, leave your picture flat to dry.

We love to see your artwork. Email photos or scans to
