AUGUST REPORT 2026

Christian Nurture for Young People

Yorkshire Day Family Fun

On 01 August we had our Yorkshire Day Family Fun. Activities included making Yorkshire flags and badges. There was also a trail to introduce the participants to different parts of the cathedral.

National Playday

National Playday happens annually on the first Wednesday in August. Families were encouraged to come into the cathedral to play with a variety of toys and games.

Adult Education

Tower Tours

On one Saturday in August we offered people the chance to climb Wakefield Cathedral's tower. As well as having the opportunity to see the city from a different vantage point the participants were able to visit the bell chamber where they could see the bells.

Cathedral Tour

We were asked to provide a cathedral tour for a small group who are trying to visit all the cathedrals in the country. This was the first time they had been to Wakefield. During the tour they found out about the history of the building and about some of the artefacts.
